Break Sponsor:

Volunteer Canada

It is my great pleasure to welcome you on behalf of ANSER-ARES to the 8th Annual Conference of the Association for Nonprofit and Social Economy Research/Association de recherche sur les organismes sans but lucrative et sur l'économie sociale.

ANSER-ARES is a Canadian association for those who have an interest in research that pertains broadly to nonprofit organizations and the social economy. ANSER-ARES is committed to fostering a collaborative community of scholars and researchers. Our annual conference aims to facilitate the exchange of information among members and stimulate dialogue on the cutting edge developments in the field.

This year's conference will showcase an exciting mix of panels and roundtables with presenters from across Canada and abroad. We will also have two keynote speakers over the course of the conference. Our academic keynote speaker is Rose Anne Devlin from the University of Ottawa and our community keynote speaker is Bruce Campbell from the Canadian Centre for Policy Alternatives.

ANSER-ARES is a young organization. Over the past eight years, our network of academics, community practitioners and young researchers has grown. Our conference has become a great platform where the new generation of researchers can exchange ideas and learn about developments in the field. We look forward to your active participation in what promises to be an exciting conference.

I very much look forward to seeing you in Ottawa!

Rachel Laforest
President, ANSER-ARES
